**"To have seen Italy without having seen Sicily is not to have seen Italy at all, for Sicily is the clue to everything."  
Goethe**

Please join me in drawing and touring Sicily for nine days to experience the Sicilian lifestyle in a way that you likely wouldn't get on your own. In addition to living inside the culture for nine days, visits to wineries and vineyards, artisan cheese makers, and hidden, out-of-the-way locations steep you in all things Italian. We will be recording much of this in our drawings. You will learn how to translate this varied landscape and the people of Sicily into your drawings.

5400 includes hotels, tours, tips, guides, models, drivers, transportation in Sicily, instruction, breakfasts, dinners at select local restaurants serving regional cuisine.
